

9 June 2017

Dear Parents, Friends and Lebone II Family,

It is with regret that I write to inform you that David Du Toit will be leaving the position of Head of Lebone II College at the end of 2017 to begin a new chapter as Headmaster of St. Stithians Boys' College, in Johannesburg. David will begin his tenure at St Stithians at the beginning of 2018.

David has, for the past decade, served Lebone II College with much commitment and dedication, initially in his capacity as Deputy, appointed in 2008, and then as Head since 2014. He has been instrumental in developing Lebone into the shining example of holistic, diverse and modern African education and strong values we are all so proud to be associated with today. On behalf of our Board of Directors and the entire school community, I wish to thank David for the leadership he has shown and for the good working relationship we have enjoyed during his time as part of our community.

I am pleased to announce that Rre Thebe Morake, our Deputy Head of the Upper School, will take on the role of Acting Head, working closely with Rre David, for the remainder of the school year. Rre Thebe has the full support of the Board and we believe that he, along with the very strong management team already in place, will ensure the continued sound stewardship of our College.

Our search for a new Head will begin immediately so as to ensure that there is seamless continuity. David's new role is testament to the quality of educator Lebone II attracts and I have no doubt that our search will draw interest from the country's top school leaders. You can rest assured that we will do our utmost in selecting the leader we believe is best able to steer Lebone II College into its next phase of growth and development.

I thank you for your continued support and look forward to communicating our progress in due course.

Yours sincerely,

Mrs. Khumo Shongwe
Chairperson: Board of Directors
