

Dear Parents/Guardians,

Re: Extra and co-curricular afternoon activities for the Lower School

Please assist your child in selecting suitable afternoon activities for him/her to attend in the 1st term. These optional activities are indicated on the attached schedule. Please note payment options in each section.

These extra-curricular activities are not to be confused with the **cultural enrichment and sport** activities, which take place during school hours and are compulsory for all Lower School students. The sport period in Gr 4-6 is over and above the 1 hour curriculum requirement for Physical Education. Thus all students from Gr R-6 have two hours a week of Physical activities.

Music Theory is by teacher selection. **Music theory is a requirement for students who want to play External Music Exams.** Relevant students will be notified by letter.

To ensure that students adhere to the afternoon programme given, please complete and sign the commitment form printed below and return to the class teacher no later than Friday, 20 January 2017.

Please note that all of the optional activities require dedication and commitment by both students and parents. These are NOT activities designed to keep children busy and lack of attendance will be noted.

There will be extra private coaching available for Tennis, Samba Soccer and Karate. This is a private agreement between a parent and the service provider.

Thank you.

Mrs D Roberts
Deputy Head

Afternoon Optional Activities: First term 2016

My child (full name) _____ in grade _____ has chosen the following **optional** activities.

Please write in the time and activity that your child has chosen.

Activity	Time	Monday	Tuesday	Wednesday	Thursday	Friday
