Your D6 Communicator is now set up.

Please note:

- 1. Parents, guardians and families are an important part of Lebone II College of the Royal Bafokeng, and play a critical role in their child's journey at the school. The D6 Communicator does not replace the regular communication that must take place between parents/guardians and Lebone's teachers and tutors.
- 2. News items and resources that have been posted on D6 may expire after a period of time. It is important that you save these to your own device should you require them going forward.
